

The Creation

All things were made through him

God the Creator appears through radiance and cloud, creating the sun, moon, and stars, the creatures of the deep and birds, and the world in the midst of the waters.

Adam and Eve, symbolizing humanity, are shown as silhouettes standing in a state of perfection.

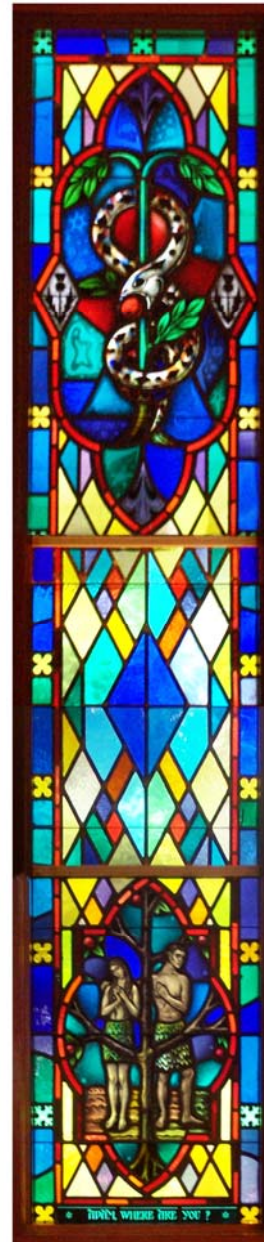

SYMBOLS

The green globe represents the earth from which springs vegetation.

SYMBOLS

The Tree of Knowledge is in the center.

The serpent, coiled around the tree with fruit, represents Satan.
